January 18, 2018

Board members present: Crisha Warnstaff, Jon Neal, Todd Hill, Dwayne Turner, John Tafolla, Walter and Vicki Hart, JoAnn Peterson, Elijah Noel

We began the meeting with our special guest, Superintendent Jeff Hardesty presenting his information on the school levy up for vote soon. He expressed the urgency of the need for a yes vote for the kids.

**Minutes** of the November 16, 2017 were approved as submitted.

**Treasurer report:** Postponed as Marlene was not able to attend the meeting.

**Responsible Beverage Service class:** Todd Hill reported that it was informative...the presenters were glad to be invited and would come back if invited. Attendance was not as high as we would like, but it was worthwhile. We will work on getting it promoted better next time.

**Christmas Tea:** Vicki Hart reported that our table at the function was beautifully set thanks to Marlene Barker and it was a great place to represent our coalition...helps get the word out to the community as to who we are. Great time was had by all.

**Fun Run:** Todd Hill reported that the Fun Run , despite the cold, had a great turnout of competitors and a lot of volunteers, no injuries and the kids and families had a great time.

**Movie Night:** It was a success. Great end to a great day....

**Art Contest:** The board discussed the list of slogans that the students submitted. The consensus was that they were all good positive slogans but the "Hey Bro!" slogan may give the impression that boys are targeted which would not be the intent.

**NA Report:** Elijah Noel presented his personal story of addiction. Thank you Elijah for all you do for this community.

Meeting adjourned @ 7:00 P.M.
