Treasurer Report: Marlene Barker: This is the last month of this grant cycle. As of this date, we have spent 121,306.58 in Federal Funds, with outstanding invoices which will bring us to 125,763.00. Our matching funds are 149,656.59.

PAX: Amy spoke about PAX implementation at the Elementary school, and what PAX represents. Marlene reported that there would be online training for teachers beginning October first.

Regional Marijuana Board: Department of Health contract is for \$10,000. These are marijuana funds and are to be used in marijuana education. We can purchase curriculum, or any projects that we are not currently doing with other funds. Marlene mentioned that we should add, or change focus to include tobacco, as that is what we are seeing mostly in the HS.

Parenting Classes: JoAnn Peterson reported that classes will begin in October, by invitation only, as this will be a soft start. Currently about 12 people are interested. Marlene will check with them, issue the invitation and see who will actually register.

Community Celebration: October 5, 2018 from 4 PM to 7 PM we will hold our annual Community Celebration at the grass end of the high school, near the tennis court. We will have fun activity booths, a cake walk, face painting, Plinko game and bouncy houses. We have lots of prizes and pamphlet information available. We need a lot of volunteers. Set up will begin at 2:00 PM. Tonasket has a bouncy house we can use.

Autumn leaf run: Information was given about the run, which Omak will host.

Meeting adjourned @ 6:32 PM
